

Wear Your Values Quotation Meanings

Community is a choice between belonging and division.

1

**“Be a Brother Like No Other”
“Be a Sister Like No Other”**

People should show care, loyalty, and responsibility toward one another in a distinctive and meaningful way. It is a call to build relationships on support rather than competition.

2

**“Brotherhood, Never Other Hood”
“Sisterhood, Never Other Hood”**

This quote rejects ‘othering’—treating people as outsiders. Instead, it encourages seeing others as part of a shared responsibility for community development.

3

**“Integrate. Collaborate. Elevate.”
“(Be Visible ICE)”**

ICE is a call to action. It is about bringing people together, working across differences, and raising the whole community through visible cooperation and collaboration.

4

**“Democracy (for all),”
“Division (for none)”**

Democracy depends on shared responsibility for the commonwealth of all people, while division leaves everyone to fend for themselves. Unity is not just something to feel; it is a matter of civility.

5

**“Attract (all)”
“Attack (none)”**

Communities grow stronger when they attract people through respect, openness, and positive example rather than attacking others through hostility or exclusion.
